

# WORSHIP CENTER

Opportunities during the season break for groups from March 25 – April 7.

## **Meet a Refugee Family**

We have an opportunity for two small groups to engage in a three-week journey to learn about refugees and their unique needs. Come and meet a local refugee family; hear their story, ask questions, and learn about opportunities to serve these displaced people in our midst. Space is limited to two small groups (Wednesday evenings March 21, 28, April 4 or Thursday evenings March 22, March 29, April 5). If your group is interested, please [email Chris Lautsbaugh](#) for more details. First come, first serve! Your group must commit to all three weeks.

## **Water Street Mission**

We have opportunities for groups to come alongside Water Street Mission in Lancaster by serving meals to their clients and then busing tables. Sit and hear someone's story during this time! A brief training will be given on that day. We need eight volunteers each Saturday from 10:45 am - 1:15 pm on March 17, 24, and 31. [Click here for more information](#) or to sign-up!
